

KOMATSU

WHAT WE DO:

Komatsu is an indispensable partner to the mining, forestry, industrial and construction industries that maximizes value for customers through innovative solutions involving original equipment and services. With a full line of products supported by our advanced IoT technologies and global service network, we help customers safely and sustainably optimize their operations. Our **Komatsu, P&H, Joy** and **Montabert** equipment and services are used to extract fundamental minerals and develop modern infrastructure.

Where do things come from? From things that grow... or from within the rock...

Name _____

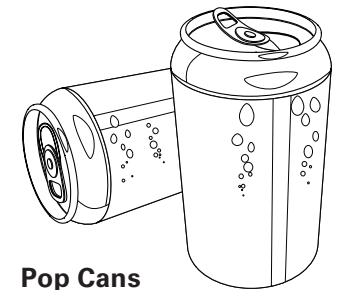

Coins

_____ Grow
_____ The Rock

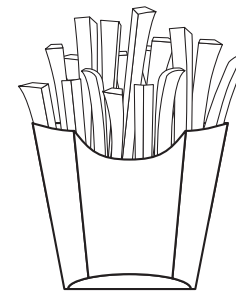

A Tree

_____ Grow
_____ The Rock

Pop Cans

_____ Grow
_____ The Rock

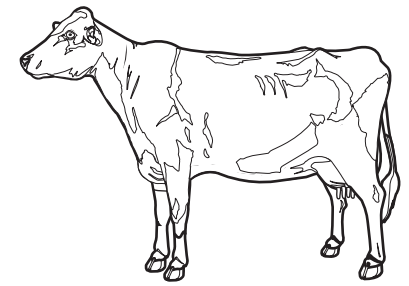

French Fries

_____ Grow
_____ The Rock

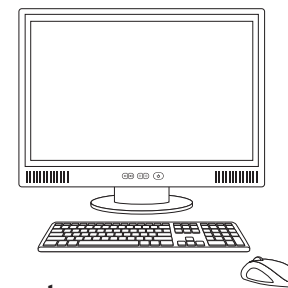

School Bus

_____ Grow
_____ The Rock

A Cow

_____ Grow
_____ The Rock

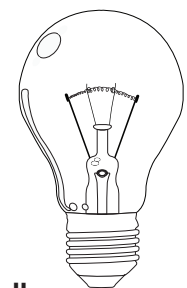

Computer

_____ Grow
_____ The Rock

Bottle of Milk

_____ Grow
_____ The Rock

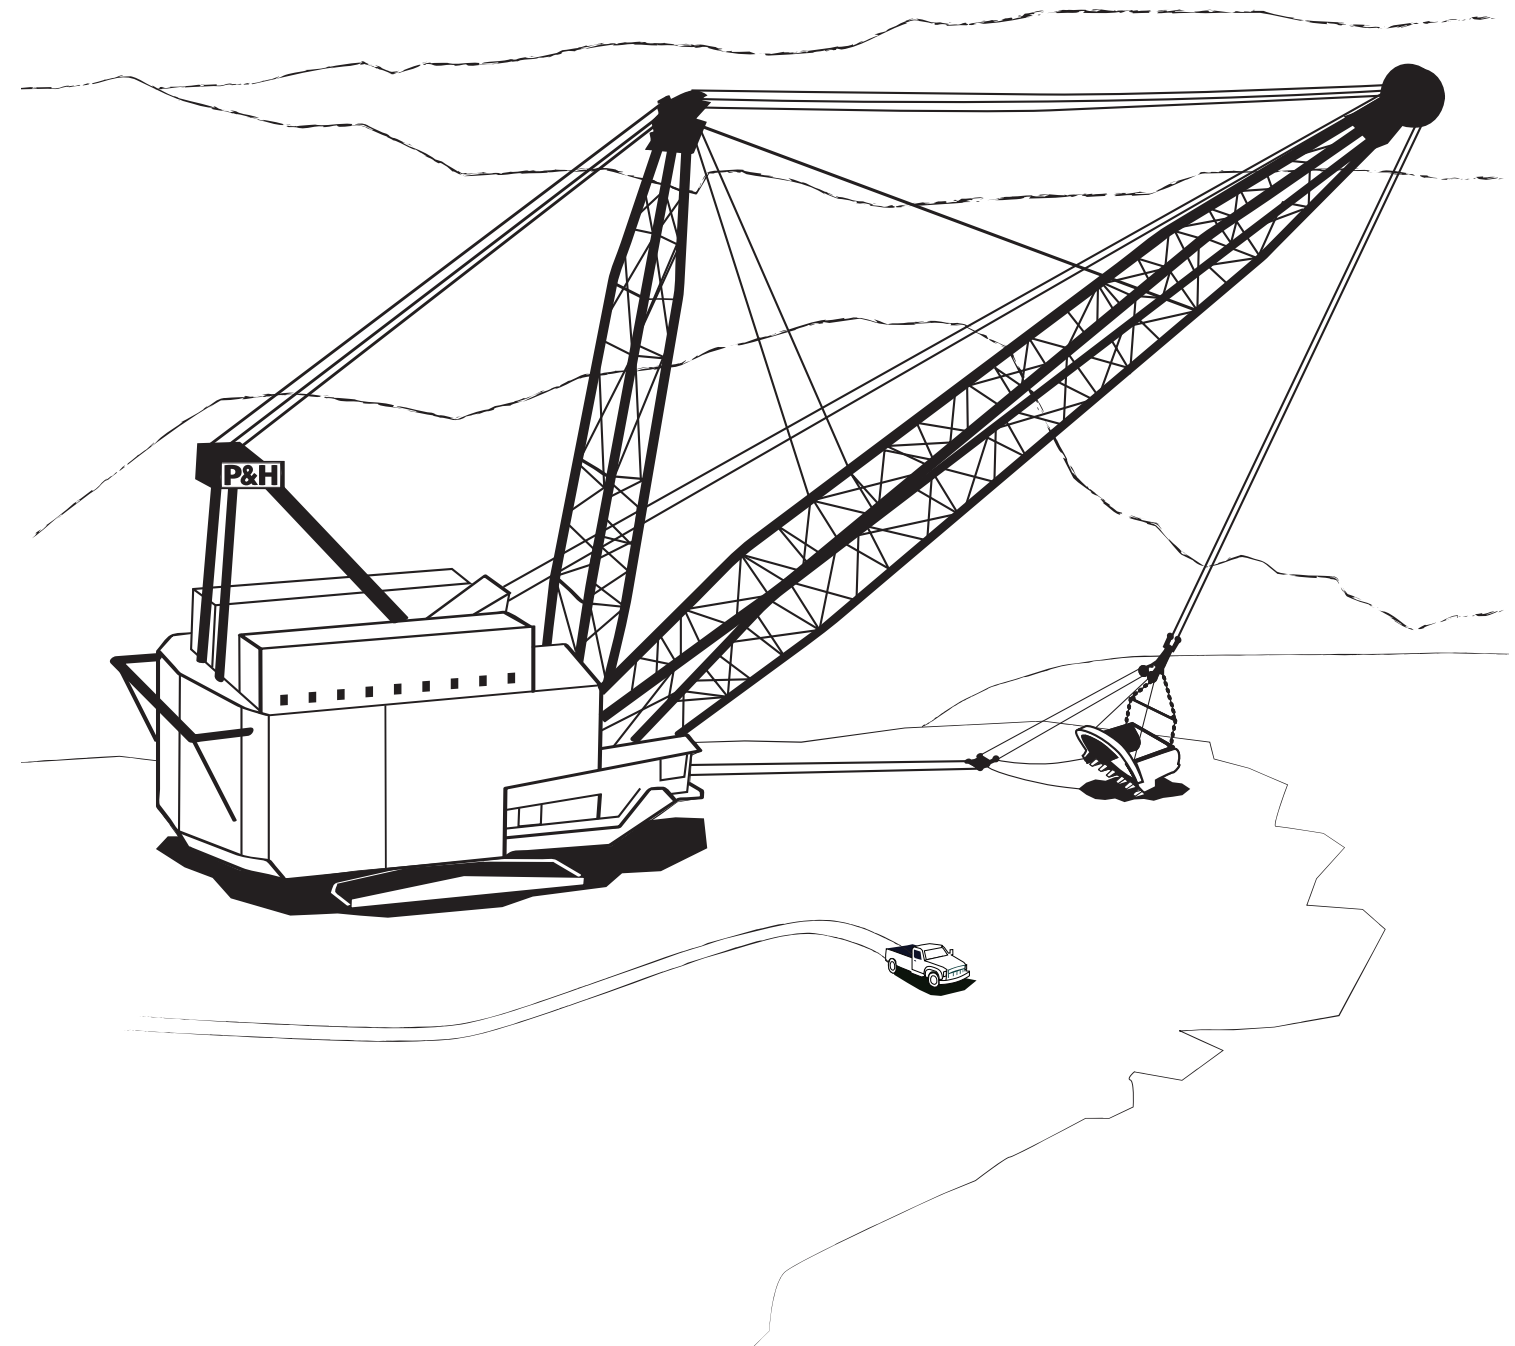

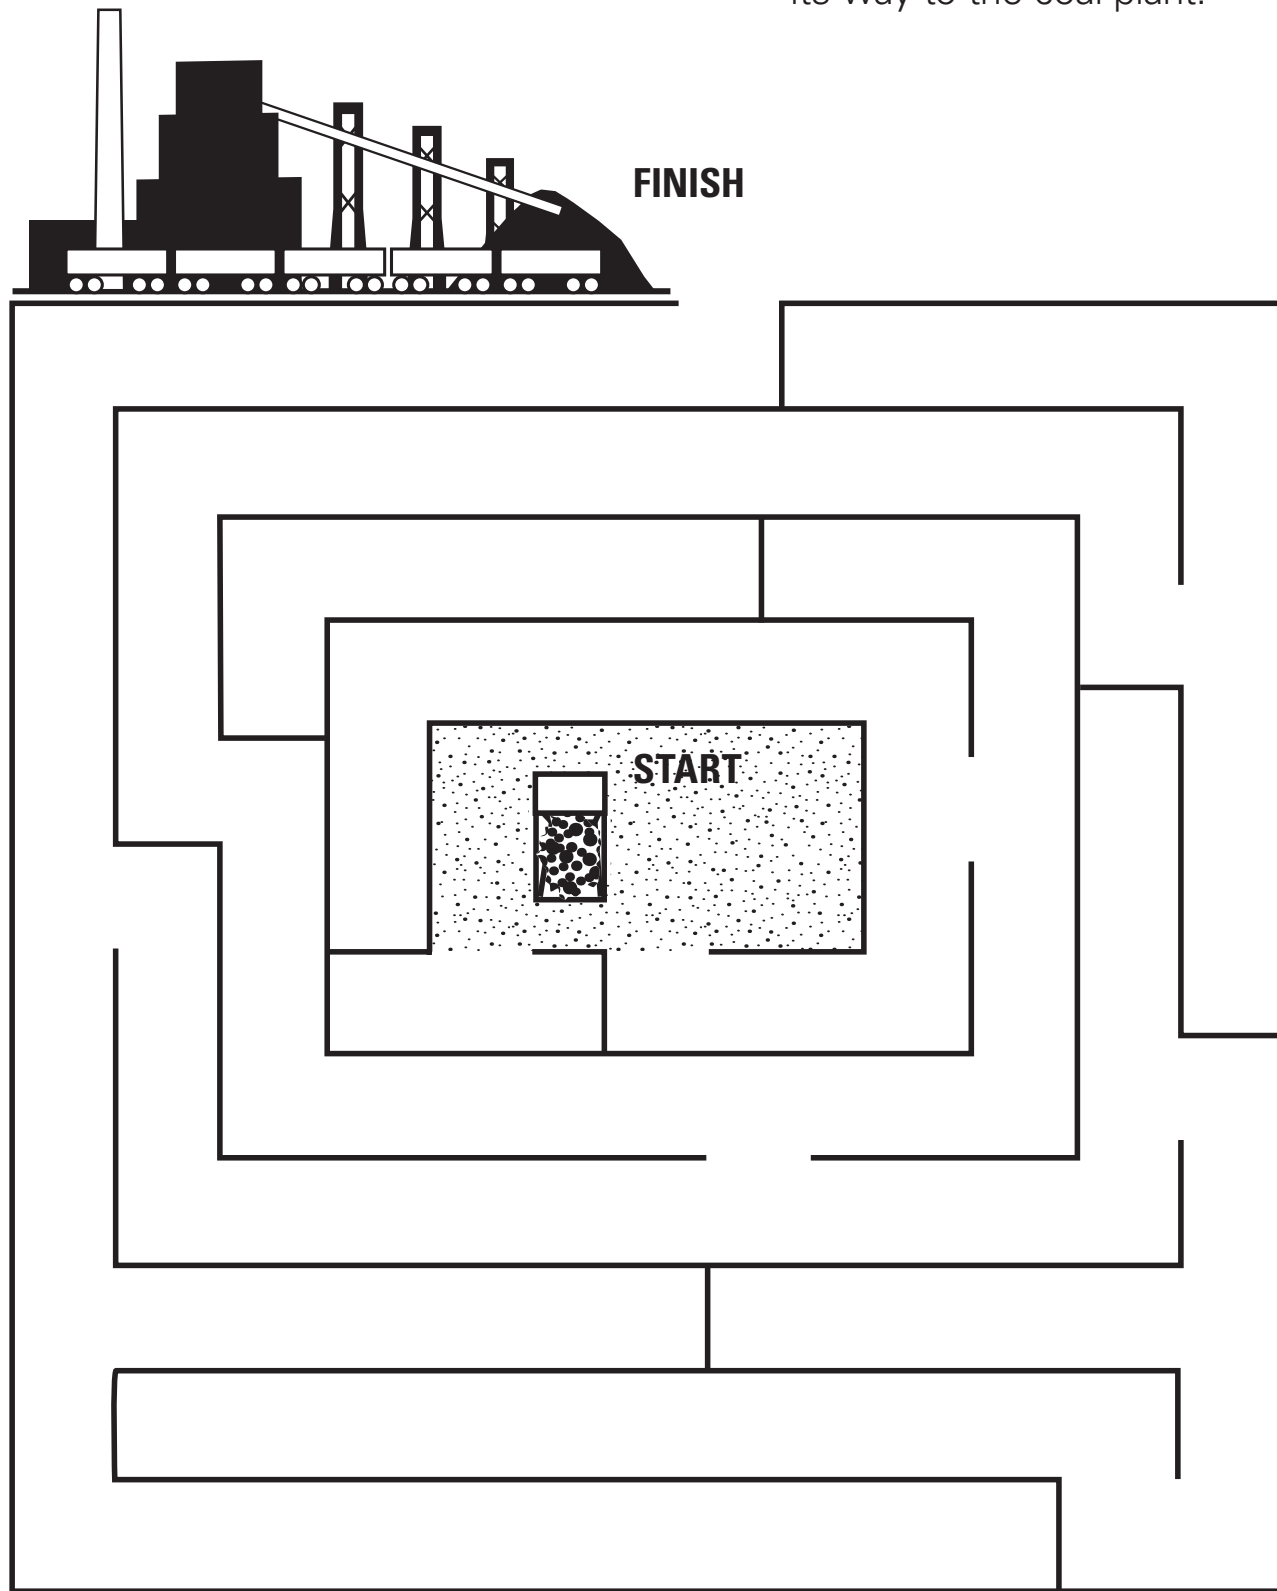

Light Bulb

_____ Grow
_____ The Rock

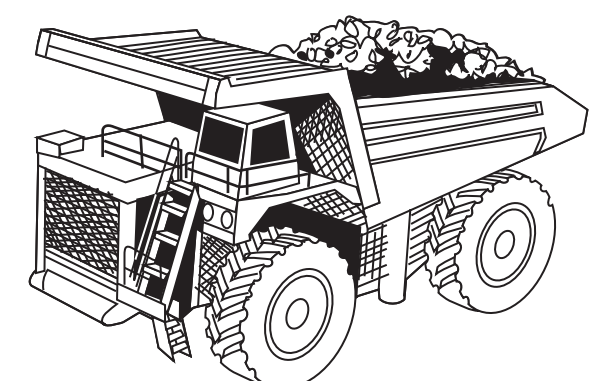

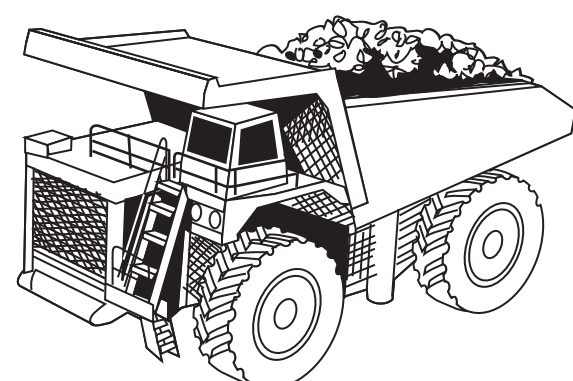

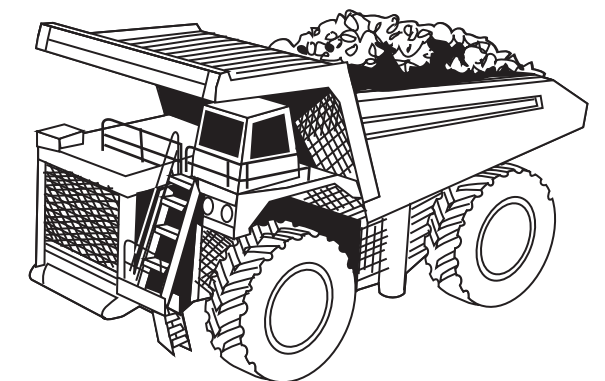

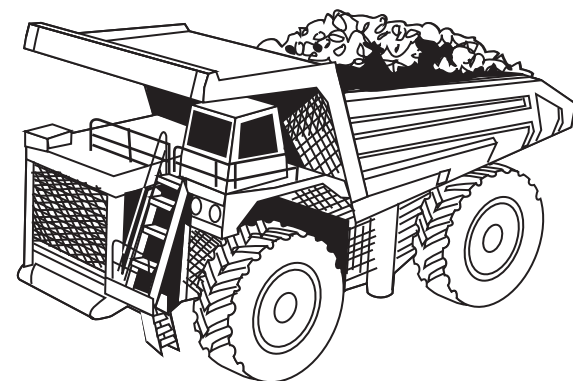

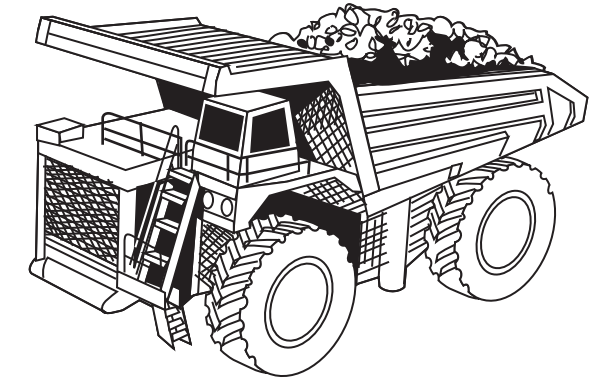

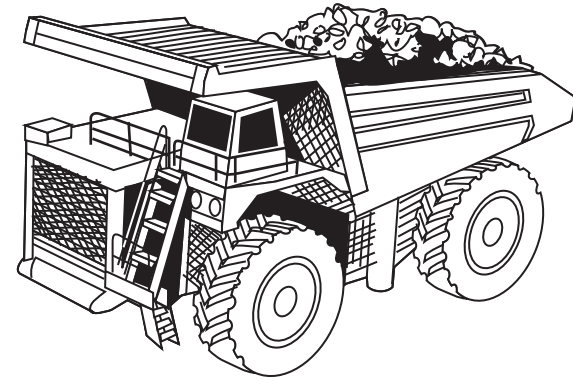

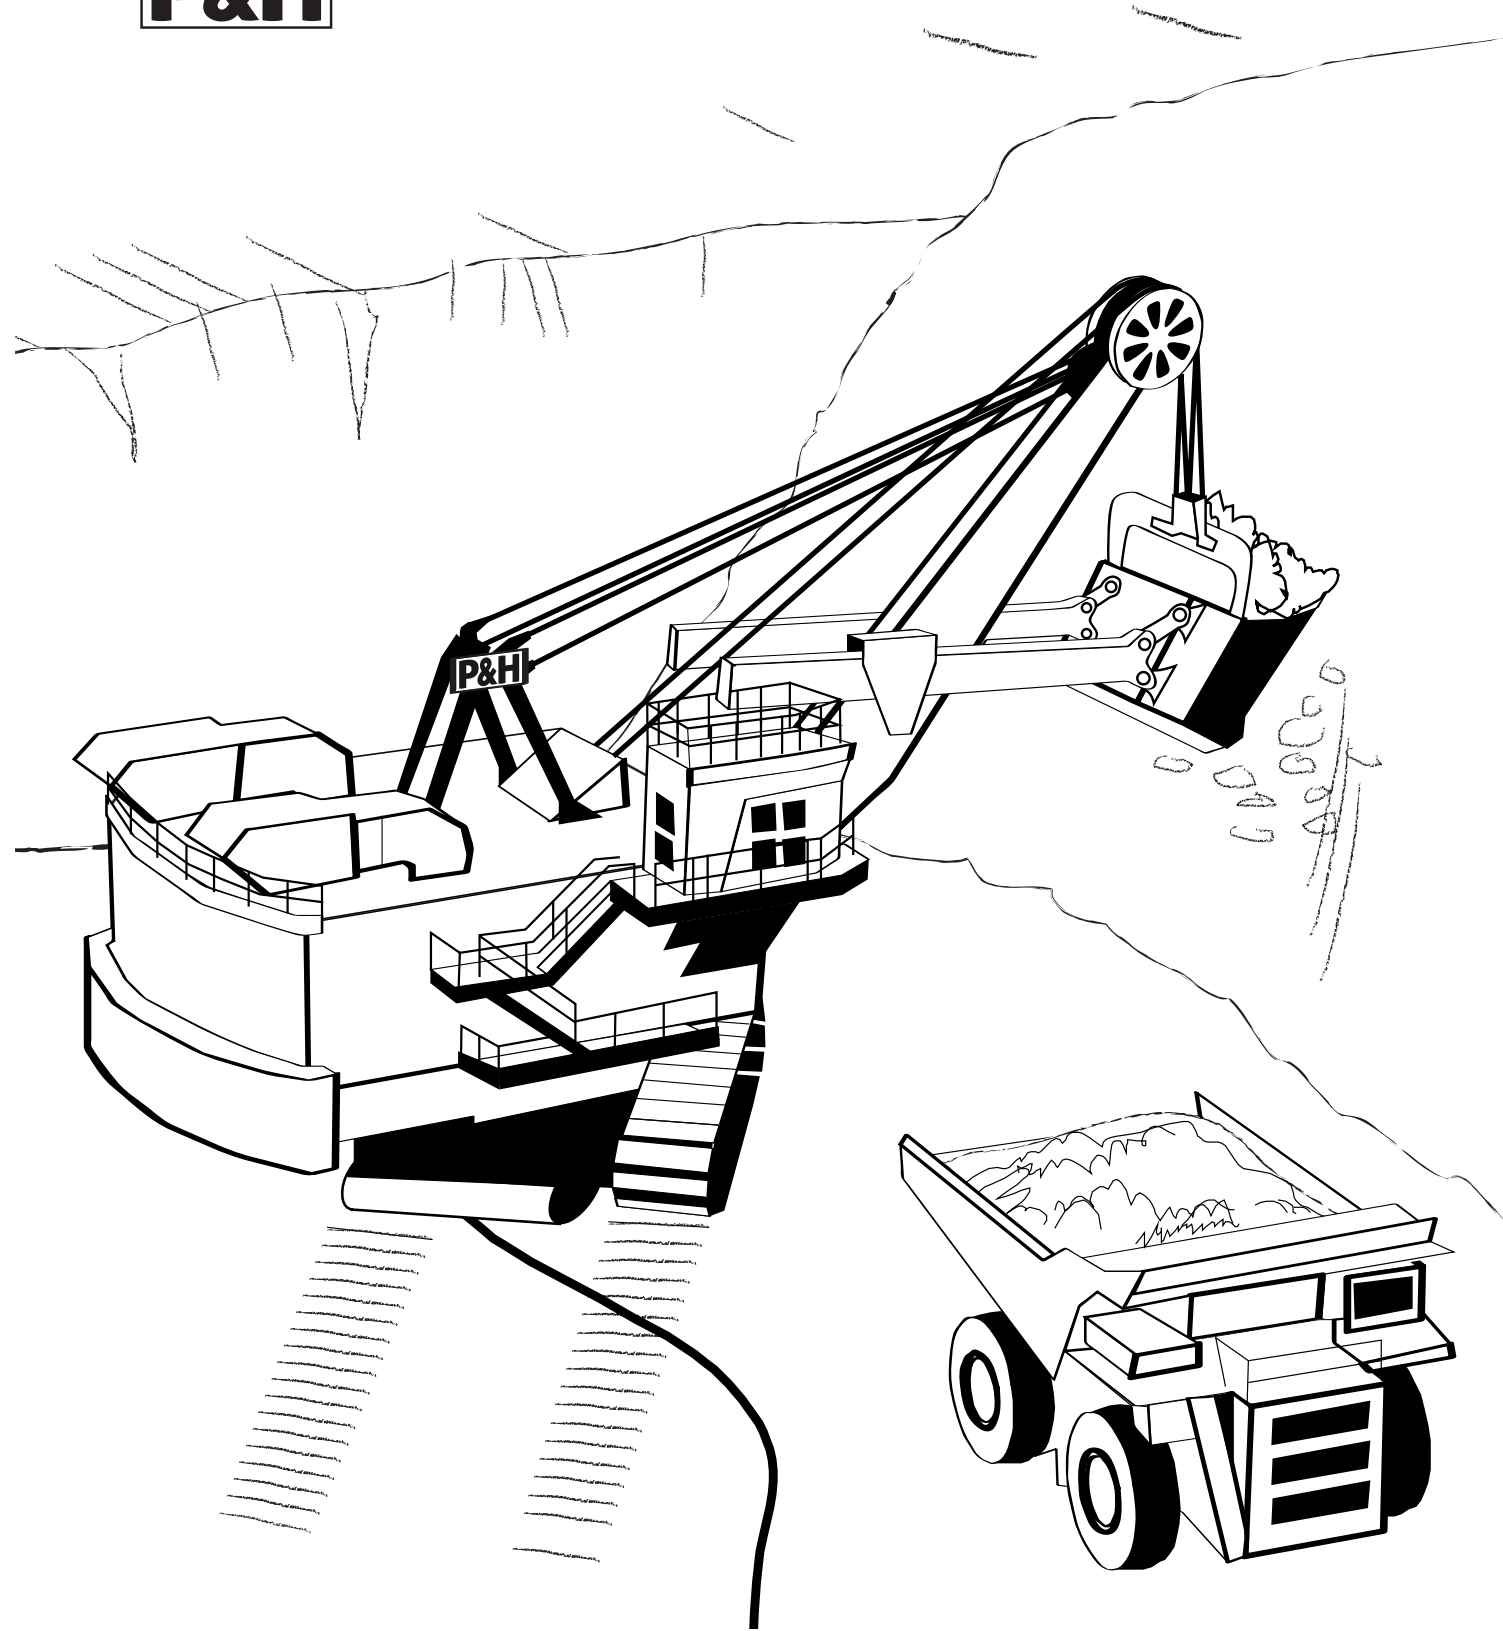

Some things can come from both - they can grow **AND** they can come from the rock.
Everything comes from our natural resources.

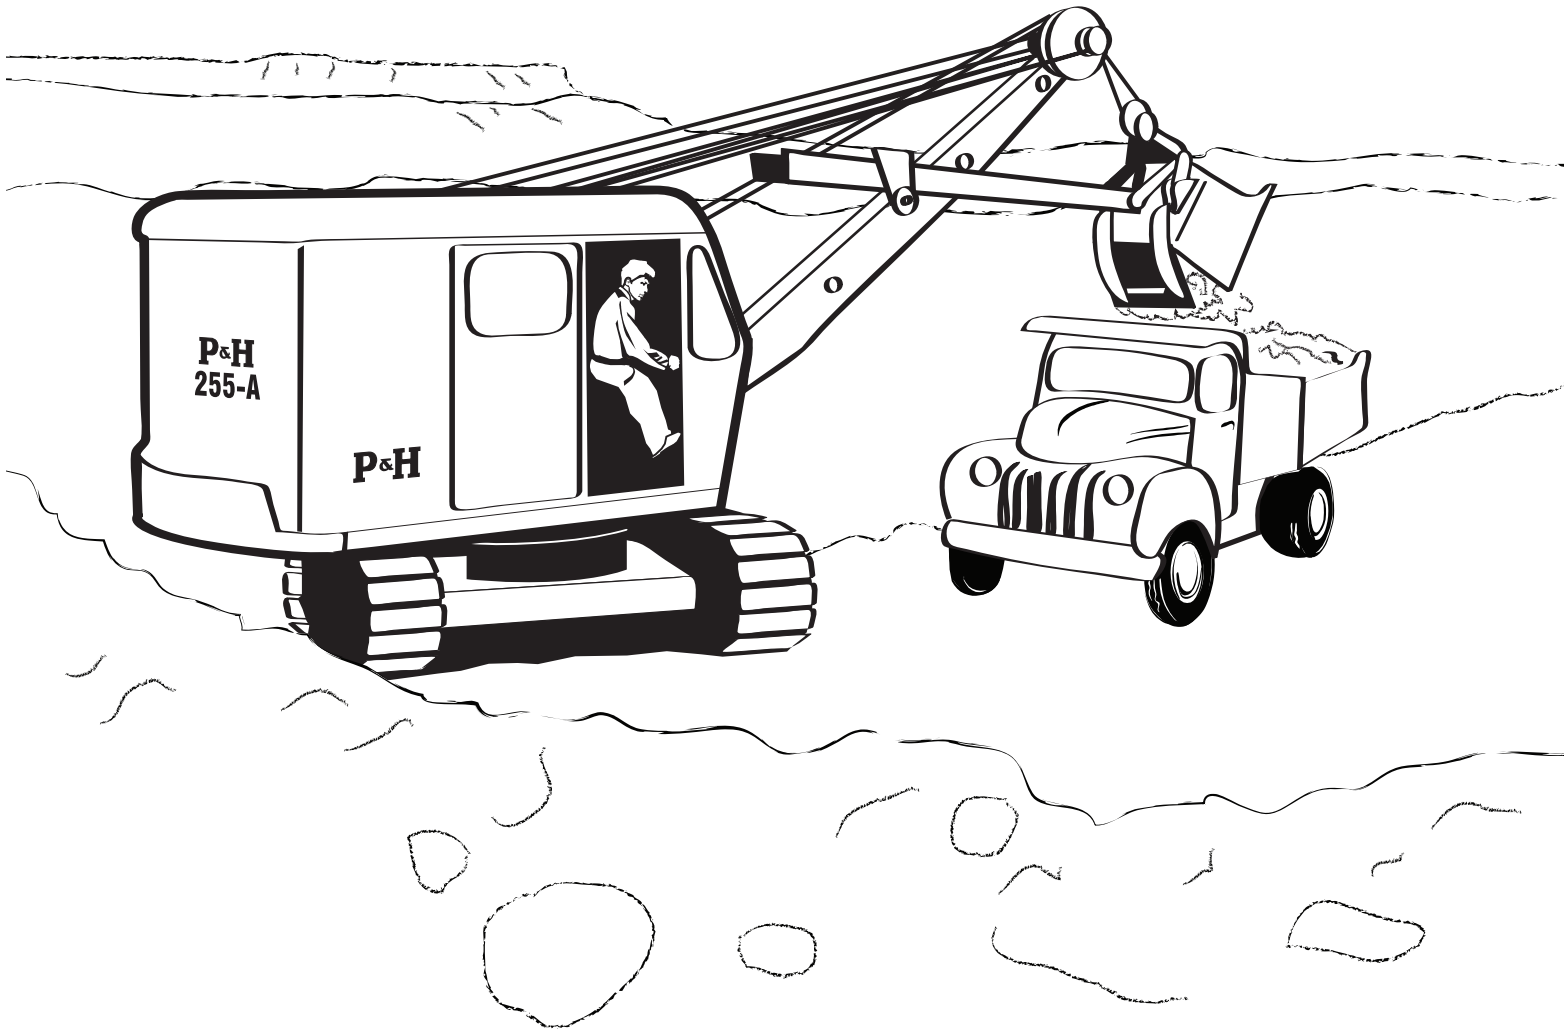

Help the haul truck find its way to the coal plant.

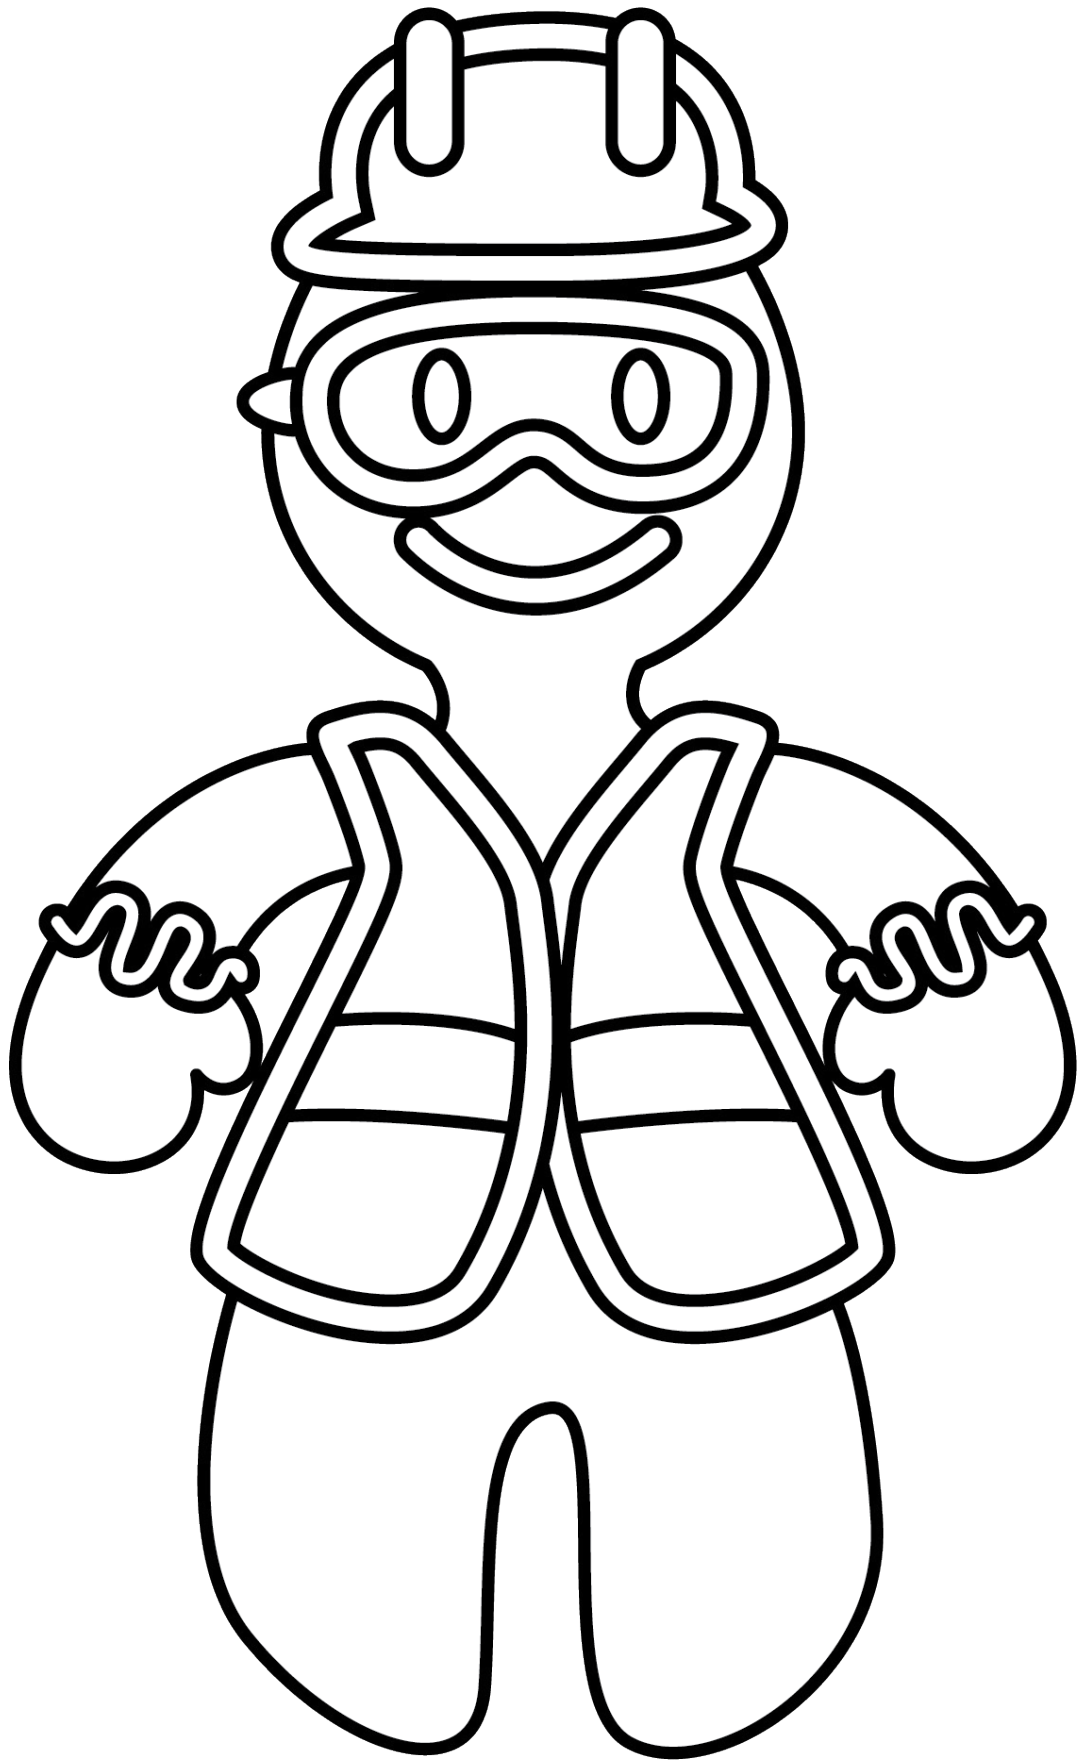

P&H

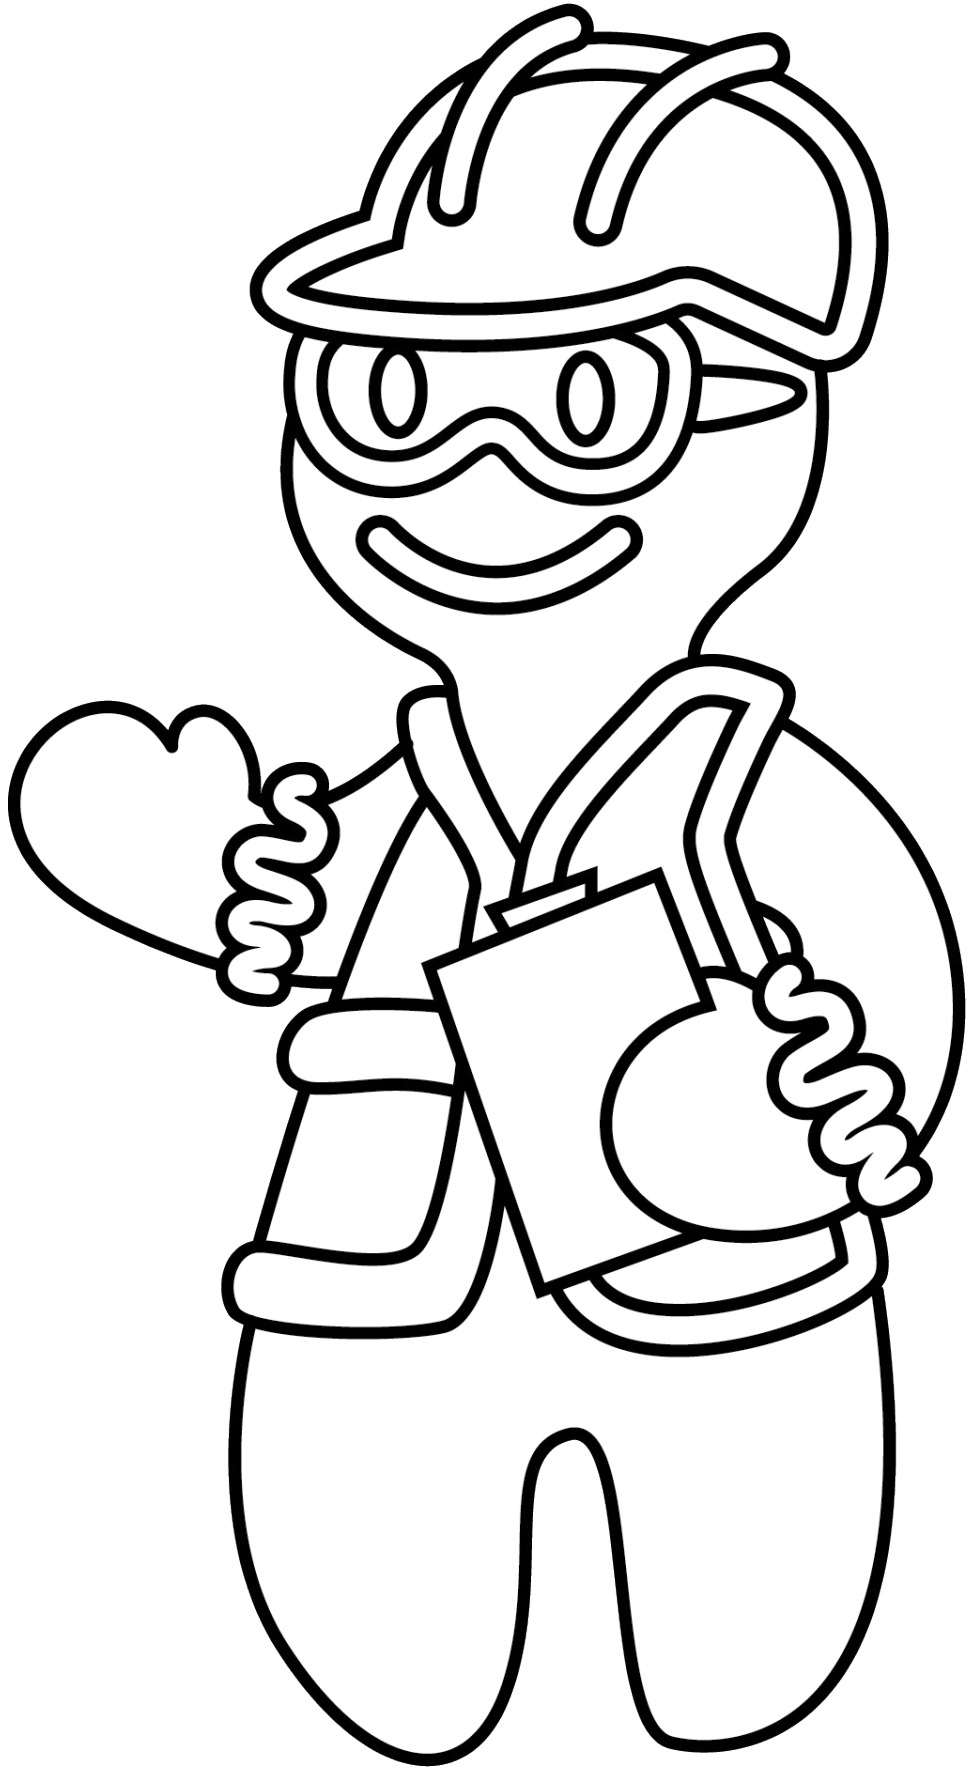

Circle the two trucks that are the same.
